LISTENING SESSIONS SCHEDULE

PAUL RYAN • LISTENING TO YOU

YOU'RE INVITED TO A LISTENING SESSION WITH **CONGRESSMAN PAUL RYAN**

"We can talk about making the tax code simpler, fairer, and more competitive, so we can create more jobs. Another topic of conversation could be the recent bi-partisan budget agreement I wrote and passed with Senator Patty Murray. We can talk about how to replace Obamacare with a health care plan that puts you and your doctor in control - not government and insurance bureaucrats. Or, we can discuss any topic of your choice. I look forward to seeing and hearing from you."

Congressman Paul Ryan listens to residents and answers constituent questions during a previous listening session in the First District. Meetings like this help Paul stay in touch with those he represents in Washington while better understanding their needs and concerns as he drafts and votes on legislation in Congress.
